Re: Docket No. 2017-207-E
Docket No. 2017-305-E
Docket No. 2017-370-E

Dear Mr. Butler:

Per the request contained in your "Report of Stipulations for October, 2018" the Office of Regulatory Staff hereby requests that the following support staff be listed for admission to the Commission Hearing Room during the hearing in the above referenced dockets: Dawn Hipp, Susan Hauptmann, Willie Morgan, Ryder Thompson, Ron Aiken, and Vicki Watts. These individuals are, of course, in addition to ORS's Counsel of Record and Witnesses. I would request that if it is possible that at least three seats in the gallery near the ORS Counsel table be reserved for support staff.

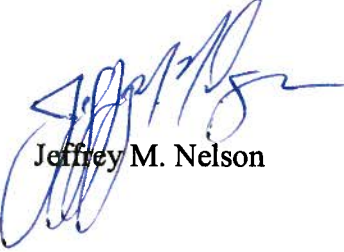

On a similar note, and to aid the parties in their preparation for the hearing, ORS requests that the Commission inform the parties of the number of copies of any documents or exhibits required by the Commissioners and Commission staff which the parties intend to introduce at trial.

Finally, ORS would additionally appreciate the Commission informing the parties of any limitations on the use, size, location within the hearing room, or format of any demonstrative exhibits which may be used during the hearing.
